Good Morning Cameron,
If you end up needing both of us, please email me a summons. We only seem to have a summons in our system for Annie. I will be available today until 2:45 pm. Plymouth is also asking for us but we could go to Plymouth tomorrow.

Hey Peter,

I am not sure if a summons went out, both you and Annie were on the list to get one. My file indicates that around December 12th you confirmed that this would not be a good date. If neither you or Annie is available today could you please let me know as soon as possible.

Thanks,

Cameron

Yes, you should. One should have went to both you and Annie, perhaps only one went to her. I will touch base again tomorrow morning.

Thanks,

Cameron
